Bonfire Lights Fuse For Game

Westfield High To Hold Annual Pep Rally Today

The annual pre-Thanksgiving Day pep rally will be held this afternoon at 5 p.m.

Miss Ronne Toker, cheerleading adviser, was in charge of arrangements for the rally.

The special event of the rally, as is done every year, will be the burning of the Cardinal, Plainfield's mascot.

Ralph Russo, president of the Student Council, will be Master of Ceremonies. Ralph was also Master last year. Mr. Gary Kehler, football coach, will give a speech. Greg Weiss and Jim Kovacs, co-captains of the football team, will also give a short talk.

Participating will be all football coaches, team players, band members, twirlers, and cheerleaders.

Phil Newbert, WHS Blue Devil, commented, "To win this game 100% attendance is needed at the pep rally to cheer the team on." At the Thanksgiving game Phil plans to give the Cardinal a rough time, poking and chasing him around the field.

Different Types Of Spirit Urge Team To Victory

What makes school spirit? At the Westfield-Hillside football game Bob Klein attempted to answer this question with several candid shots of WHS supporters.

To the left we see the sophisticated, happy expressions of the mothers of the boys on the team, contrasted with the wild jumps and shouts of joy coming from the senior section. Meanwhile Dan Hanke (top right) and Phil Newbert (bottom right) lead the WHS stands in cheering our team on to victory. Dan plays the fight cheer as Phil helps the cheerleaders leading the cheer. Cheerleaders, Blue Devil, band twirlers, and fans are all an essential part of our football games.

Plainfield-Westfield Clash In Final Football Fray

Tomorrow the Westfield football team will try to become the first undefeated Blue Devil eleven since 1947. The Blue Devils will engage their traditional Thanksgiving Day opponent, Plainfield, at Recreation Field. The kickoff will be at 11 a.m.

This game will pit two of the strongest teams in New Jersey against each other. Westfield enters the contest with an 8-0 record and a 13-game winning streak, while Plainfield is 7-1. Plainfield will be out to avenge a 13-7 Blue Devil victory last fall.

The Cardinals hold a weight advantage of 11 pounds per man in the line, 187-176. In the backfield, Westfield holds a 178-171 edge.

At the ends, Plainfield has two big, fast men in Tony Santy and Fred McKoy. Tackles Richard Clemens and Larry Peterson weigh in at 208 and 205, respectively. The guards are co-captain Jim Gibriano and Pete Romar. Center John Knight rounds out the line.

Co-captain Bill Howell calls the signals in the Cardinal winged T attack. Richard Ricci and Jack Liddy fill the halfback slots. In several games, the big Cardinal line has cleared the way for Ricci, Liddy, and fullback Norm

(Continued on Page 4)

Assembly Offers Holiday Tribute

The annual Thanksgiving assembly will be presented this morning in the regular activity period. The Rev. Joseph T. Hourani, fraternal worker from Lebanon, will be the main speaker. At present, Mr. Hourani is on the Ministerial staff of the Westfield Presbyterian Church engaged in youth work and general pastoral duties.

Bob Wilcox will read President John F. Kennedy's proclamation of Thanksgiving. Featured in the program in addition to Mr. Hourani's talk will be a vocal duet of "The Prayer Perfect" by Kathy Quad and Peter Culver, and a vocal solo, Mendelssohn's "O Rest in the Lord," sung by Jean Macintosh. Also, Joan MacKinnon will read a poem, "Now in the Time of Harvest," by Ralph W. Seager.

The program will conclude with the singing of two Thanksgiving hymns, "We Gather Together to Ask the Lord's Blessing" and "Come, Ye Thankful People, Come," by the audience. The WHS band will play the processional and the recessional.

Carter Teaches Fencing In WHS Gym Program

Fencing is being taught in the Girls' Physical Education Program for the first time in 15 years. The same equipment that was used 15 years ago is being put to use once again.

Mrs. Miriam Carter is teaching the course. She received her instruction at Goucher College last year, where she both taught and joined extracurricular activities.

The girls are receiving a series of lessons, one each week over a period of eight weeks. Then if they are interested enough in fencing, they may participate in the sport after school. If possible, these girls will compete with other schools.

It has been quoted that "Each combination of movements is an intellectual operation, very complicated, and executed instantaneously. Each calls for enormous expenditures of nervous force. Fencing is not a game for unintelligent people, or for people who are merely strong. One does not fence so much with the muscles as with the nerves and the brain."

WHS Guidance To Hold College Night Next Week

A college night, sponsored by the Westfield High School guidance department in cooperation with the College Men's and College Women's Clubs of Westfield, will be held on Thursday, November 30, at 8 p.m. in the high school. Over one hundred colleges will be represented.

The program will begin in the auditorium with a general introduction and explanation of the proceedings. This will be followed by a talk from a guest speaker, Dr. Henry Evans, assistant director of admissions of Rutgers University. Dr. Evans will speak on the current picture in colleges today.

After Dr. Evans' talk, each student and his parents will have an opportunity to attend conferences for three colleges of the student's own choice; each conference will last approximately 30 minutes. During this time the graduate in charge will give a general description of his school, and then answer questions about it.

The purpose of this college night, which will supplement the regular visits from colleges during the school day, is to assist the student and his parents in choosing a college. In the past, college nights have proved extremely successful in aiding students with their choices.

AFS Chooses WHS Finalists

Linda Mathis, Tom Phelan, Pat Podd, and Elenor Reid are the American Field Service finalists from WHS. Next year one of them will be sent abroad to school for a semester.

Linda is vice-president of Junior Literary Club, assistant scenery chairman for Mask & Mime Club, in Junior Auxiliary Club, and choir. Art is Linda's main interest, however, and she spends much of her time painting and sketching.

Tom is treasurer of Junior Literary Club, a member of German Club, Forum Club, and worked on the WHS Book Store. Pat is a member of Junior Auxiliary, Future Teachers of America, and on the planning board for Girl Scouts.

Elenor is also a member of Junior Auxiliary, vice-president of Latin Club, member of Mask & Mime Club, Leaders' Club, Junior Council, Methodist Youth Fellowship Council, and church choir.

Elenor commented, "These have certainly been an exciting few weeks for all four of us. We've had interviews, pictures to be taken, many applications to be filled out, and essays to be written. But despite all the work, we've learned a lot about the AFS program."

News Briefs

Next Tuesday, three students from each U.S. History II class will go on a trip to the United Nations Building. The 45 students will leave around 8 a.m. and will, upon arrival, go on a tour of the building. The rest of the day will be spent by sitting in on a General Assembly or a Committee Meeting, and if it is at all possible, they will speak to a few U.N. officials before leaving.

Opening the Christmas season, December 1, the Music Department of WHS will present a program. Participating in this assembly are Girls' Chorus I and II, and the Boys' Glee Club. They will each sing several numbers with caroling by the audience between the groups.

The College Entrance Examination Board's Scholastic Aptitude Test will be given December 2, at 8:30 a.m. It has two parts: verbal and mathematics. Afternoon achievement tests will be given in English, math, languages, science, social studies, and a one-hour writing sample.

The Mouse Trap, written by Agatha Christie, has been chosen as this year's senior play. The play, a murder mystery, has been playing in London for the last nine years.

The story centers around the murder of a woman in London. There are only eight characters in the play, three girls and five boys.

Touche! Pat Donahue (L) and Betty Ann Weaver (R) demonstrate fencing form.

When Not To Applaud

It is an established and well known fact that people do not clap in church after a minister delivers the sermon, or the choir sings a religious piece. The same applies in school assemblies. There should be no applause following anything of a religious nature. You may enjoy or appreciate something greatly, but let the people on stage during the program determine whether or not applause is appropriate.

P.A.: Public Abuse System

This year it was decided to read the afternoon bulletin immediately at 2:35 and dispense with homeroom period in order that students could be dismissed earlier. At first this was successful, but day by day the notices have been growing longer. More "news" keeps creeping in which does not need to be read.

The guidance department, in particular, has been taking advantage of the situation, having the same notices read on succeeding days. These things may be of interest, but what is Guidelines for if not this purpose.

In the same vein, it seems rather ridiculous to have each homeroom teacher explain instructions concerning filling out forms, and then seconds later to have the identical directions announced. The students are not so stupid that they need to have everything said twice, and teachers certainly are not so incapable that they cannot give simple directions clearly! Instructions should either be given by the teachers or the office, not both.

Cafeteria Music In Question

To have, or not to have, that is the question--should there be music in the cafeteria during lunch time or not?

A majority of the students were displeased with the music that they heard a few weeks ago. They complained that it was not their type of music, and that they would appreciate rock and roll more.

The problem of the cafeteria music was brought up in an open Student Council meeting, and the consensus was that the music by Chubby Checker, Elvis Presley, and others would not be music to digest by.

Lunch is a time for students to converse with their friends and to get any unrest out of their system. Music has its time and its place, but it is not in a WHS cafeteria.

TB Or Not TB?

Is it true that teenagers cannot get tuberculosis because they are too young? Can children inherit tuberculosis from their parents? Is it dangerous to be around a recovered tuberculosis patient.

If your answers to any of these questions were yes, you probably are a victim of some of the common misconceptions about TB. People of all ages catch TB, and it is a serious mistake to think any age is exempt. Tuberculosis cannot be inherited; it is passed by a germ from an infected person. A cured person won't spread the germs.

On April 1, 1961, there were 669 known cases of tuberculosis in Union County. Of these, 26 were in Westfield. In 1960 there were five new active cases in Westfield, and one person died.

This death, and the 23 others in Union County caused by tuberculosis in 1960, could have been prevented if the disease had been discovered earlier in its course.

Tuberculosis is detected by X-rays or by the Mantoux, or skin test. It is important to have annual physical examinations and X-rays, and to maintain general good health to prevent this disease.

Our Girl In Finland

The following is an open letter from Sharon Savage '62, WHS exchange student, who is studying in Finland until February.

"Greetings from Finland, the home of the Sauna and the country famous for her many forests and lakes. School started on September 1, and closes on May 31. It is very different from WHS. We always have to stand when we recite in class and whenever a teacher enters the room, or whenever we meet a teacher we have to curtsy. There is not much written homework, but all of our tests are essay type, and many are two hours long.

"The teachers rotate from class to class rather than the students. The school day is usually seven and a half hours long, except for Saturday which is only three hours in the morning.

"In Finland, we have two hours for lunch and a ten minute pause after each class. Whenever we have a free hour without a scheduled class, we go home; there are no studies.

"I am looking forward to a white winter so that I can learn to ski before I return home."

You'll Find Weekly School News every Thursday in

The Westfield Leader

Like the HI'S EYE. . . . A good newspaper

Hi's Eyetems

Congratulations to Merryl McLarty and Marsha Siderman, both seniors, for being chosen to become members of the Saks Fashion Board. The girls attend meetings with other board members from other sections of New Jersey and give and take suggestions about make-up, style, and bearing. Occasionally they model in their own fashion show.

OUR APOLIGIES for spelling misspelled "mispelled" in the last issue of the *Hi's Eye*. Our faces are RED!!!

Attention: There will be a College Night for Union County at Rahway High School, on Dec. 5. All Union County students and their parents are welcome. If interested notify the guidance office before November 30.

The National Health Foundation for Nurses, Occupational Therapists, and Physical Therapists, is offering a scholarship for students interested in these fields. The winner will obtain two thousand dollars per year.

Dates to remember:
 Toko Shibata's birthday-November 23
 College Night-November 30
 College Board Test-December 2

Attention girls, this is your leader. Trixie Norton Day is being called off. Instead we will march in the cafeteria lunch line parade.

Someone Mention School Detention?

Have you ever been chomping on a wad of gum during class and decided to live dangerously and blow a bubble, just to find that after peeling the gum off your mouth there was a detention slip on your desk?

Have you ever been late to school because, on the way you were attacked by renegade freshmen from Edison, only to give your excuse and be given two hours instead of one, because your excuse was not good enough?

Have you ever wondered why there is no detention on Wednesday?

In WHS one can get detention for a number of things such as: putting on lipstick during English, or eating your lunch during fourth period class, or forgetting to go to the last half of your study during study lunch.

Ninty-five per cent of the students serving detention are those who were late to school or took the day off completely, people who whistled during study hall, or those forgetful ones who left their books in the hall.

There are many ways to serve detention. One can become garbage man for the day, mow the school lawn, wash black boards, or just sit for one hour monotonously doing homework.

Pix 'n' Quotes

Question: How would you react to going to school for the full twelve months every year?

Rosina Maiers (junior). . . I do not like the idea at all. We are having enough problems with nine months that I think summer vacation is a welcome relief. Twelve months of school would take the will to work out of school life.

Steve Atwood (sophomore). . . I do not think that twelve months of school is the answer. We students, as well as teachers, need a break during the year. If we attended school all year it would become boring and there would be no challenge or new experience left to it.

Mary Lee (senior). . . I would not mind attending school all year. Summer vacations are nice, but after two months they can become quite boring. I feel two months during the summer is too long. Over these two months we forget a great deal. Later when we come back to school after the vacation, we must learn what we have forgotten.

Cathy Ciccolella (senior). . . In my opinion having school for twelve months would not be worthwhile because both students and teachers would become bored. The two-month vacation that we are given offers a needed breather, and it is easier to become enthusiastic about a new course if it is not just one more link in a never-ending chain.

Teams Take League Honors

Harriers Edge Coaches Expect Scotch Plains Exciting Contest

After copping Watchung Conference honors in both varsity and junior varsity divisions, Westfield's cross-country team finished their dual meet season with a 9-1 slate. The Blue Devils competed in the State Championship Saturday.

In the Watchung Conference meet, the Blue Devils not only boasted two team triumphs but also two individual victories for Westfield harriers. Dave Coleman captured the varsity meet with a record time of 12:44 while Frank Mitchell copped JV honors with a 14:22 time.

Westfield won the team title in the varsity meet by narrowly defeating Scotch Plains 30-31.

Photo by Robert Klein
Dave Coleman places first in the Watchung Conference Meet by a good margin over Steve Harris of Scotch Plains.

Also entered were Roselle Park, Hillside, Rahway and Cranford. In the junior varsity meet, Westfield outran a Scotch Plains combine 30-35.

On Tuesday, October 31, Westfield defeated Union 17-38. Dave Coleman, undefeated in dual meets, was victorious with a time of 13:07. Steve Atwood was second and senior Dick Zaparanick was third.

A week after the Union meet, the harriers triumphed over Cranford 16-47 without the aid of Coleman, who was practicing for the Watchung Conference meet. Atwood scored his first individual victory of the year with a time of 13:23. Following in consecutive order were Westfield runners Zaparanick, Steve Calvert and Bob Meares.

Westfield climaxed its 1961 dual meet season with a 16-45 victory over Roselle Park. Za-

paranick was the winner with a 13:25 clocking. Behind him, in order, were Atwood, Calvert and Meares.

Coach Gary Kehler of Westfield and Coach Abe Smith of Plainfield look for a close and exciting game tomorrow.

The Plainfield mentor calls balance his team's strongest point. He said, "They operate as a team, not around one or two persons. There are no unusual boys in the crowd, but they play together."

Mr. Smith called Westfield's team "terrific." Asked how he will try to beat the Blue Devils, he replied, "Make more than they do."

Coach Smith, a veteran of more than 100 Plainfield victories, side-stepped predicting the winner by saying, "The winner will be the spectator who pays his admission and sees a very good football game."

In contrast to the Plainfield mentor, Coach Kehler is a rookie head coach. He praised his team's all-around progress. The Westfield coach called his team's strong points excellent balance and "an attack which can hit from any part of the field."

Coach Kehler noted that Plainfield is a balanced team, just like Westfield. He is hoping for good weather since "a rainy day would slow down both attacks." His formula for defeating Plainfield is "good, hard football."

Winter Sports Teams Open Their Practices

After the Plainfield football game, the winter sports teams will take over the athletic spotlight at WHS.

Coach John Lay opened basketball tryouts on November 1. Coach Gary Kehler's Watchung Conference champion wrestlers take to the mats Friday.

The state champion swimmers will hit the water December 1. Coach Walt Clarkson is on the lookout for divers.

paranick was the winner with a 13:25 clocking. Behind him, in order, were Atwood, Calvert and Meares.

Photo by Nick Warburton
Jim Kovacs (27) goes 6 yards through a hole by the right side of the Blue Devil line for a touchdown against Roselle Park. Carmen Adas (12) of Roselle Park pursues Kovacs in vain.

Scotch Plains Victory Against Cranford Gives Westfield Title

Conference Standings			
	W	L	Pct.
Westfield	6	0	1.000
Cranford	5	1	.833
Scotch Plains	5	1	.833
Hillside	4	3	.571
Clark	2	4	.333
Rahway	2	4	.333
Roselle Park	0	5	.000
Roselle	0	6	.000

Westfield's Blue Devils emerged the Watchung Conference champions with a 49-6 victory over Roselle Park November 11. Assured of at least a tie due to Cranford's 31-6 thrashing at the hands of Scotch Plains, the Westfielders literally ran away with the game and the conference honors.

The Blue Devils won the title the first year they were eligible, since they did not play enough conference games last year to qualify.

The Cranford loss to Scotch Plains in the morning game at Cranford Memorial Field marked the third time in three years that the Raiders had thwarted Cougar title aspirations.

Cranford was never able to recover from the shock of two Scotch Plains touchdowns in the first two minutes of play. On the Raiders' first play from scrimmage, speedy Dave DiFiore went 85 yards to score. When Cranford was unable to move the ball and had to punt, Haywood Gipson returned the ball 74 yards.

In the only other league action, Rahway defeated Clark 21-7. In the only remaining loop contests, Roselle and Roselle Park will fight it out for seventh place and Clark meets Scotch Plains. If Clark wins, they take fifth place; a loss gives that spot to Rahway.

Devil's Den

Operating out of a double winged T formation, the Blue Devil football team has rolled up some impressive statistics.

In eight games, Coach Gary Kehler's team has scored 244 points, an average of 30.5 per game. They have held their opponents to an average of 8.3 on a total of 66 points. The 1960 Blue Devils outscored their foes 196-86 in nine games, an average score of 21.9-9.6.

The 49 points the Blue Devils scored against Roselle Park is the first time a Westfield team has scored more than 40 since a 41-0 rout of Perth Amboy in 1954.

It's hard to find a team with Westfield's balanced scoring punch. Starting backs Bill Bryant, Jim Kovacs, and Eddie Galauski have respective point totals of 55, 52, and 49. To further distribute the scoring, end Dwight Winn has 36 points and reserve back Rick Thiele 26.

DeBarger Five Earns Intramural Cage Title

Bob DeBarger's team nipped Don Stanton's squad 37-36 for the intramural basketball championship October 31. The winners had a 7-1 record in league play, while Stanton was 5-1.

Doug Carver scored 17 points for the winners and Dick Stork had 10. Stanton was the high scorer with 18 points. The losers held a 15-14 lead at the half.

Gridmen Shell Roselle Park

Coach Gary Kehler's football team trounced Roselle Park 49-6 to wrap up the Watchung Conference championship in their first year in the circuit. Scotch Plains shelled Cranford, which had been tied for the lead, 31-6.

Roselle Park was unable to cope with the powerful Blue Devils. Westfield ran for 297 yards and passed for 74. The hapless Panthers were held to 10 yards rushing and 96 passing.

Kovacs Scores Three

After Greg Weiss blocked a punt, Jim Kovacs ran 8 yards untouched for the first of seven Blue Devil touchdowns. Later in the first period, he tallied from 6 yards out. Bill Bryant ran 43 yards after Dave Morash blocked a punt for the next counter.

Capitalizing on a fumble recovery on the Westfield 28, the losers made their only touchdown on a 3-yard pass from Frank Antonelli to Tony Menafro. Rick Thiele's 16-yard run made it 28-6 at the half.

Kovacs added his third tally on a 6-yard run in the third period. In the final period, Thiele ran 27 yards and Nick Piscopo caught a 14-yard Dwight Davies pass to conclude the scoring. Bud Mueller, Kovacs, Bryant, Leroy Gallman, Eddie Galauski, Bob Adelaar, and Weiss ran the extra points.

Hillside Falls

Mueller passed for four touchdowns to lead a 38-0 conquest of Hillside. On the second Westfield play from scrimmage, the junior quarterback showed what was to come by hitting Galauski for a 65-yard touchdown.

Dwight Winn was on the receiving end of Mueller's scoring passes covering 38, 32 and 28 yards. Thiele had a hand in the other touchdowns, passing 44 yards to Galauski and plunging 2 yards. Kovacs ran for extra points following the last two scores.

Girls Play Tie With Princeton

The WHS junior-senior hockey team ended its season with 2 wins, 2 losses, and a tie game with Princeton on November 15. Westfield has yet to defeat Princeton and has only tied them once before. The sophomore team lost 2-1.

Westfield defeated Scotch Plains 4-0 October 31. Kay Murphy, Judy Whitlock, Gail Falkenberg, and Kathy Balling scored goals.

Both games were very fast. There will be a strong backbone of sophomores and juniors for next year's team.

Greg Weiss, Jim Kovacs Captain Undefeated Team

Jim Kovacs, 200 lb. fullback and co-captain of Westfield's Watchung Conference football champs, can be seen any Saturday in the fall, carrying a football through, over, and around the enemy's line. At other

As co-captain of our undefeated football team, Greg Weiss '62 plays the weak side (left) guard in Westfield's unbalanced line. His fine blocking and defensive work has been instrumental in the team's success. In connection with

times he can be found on the track field, at the shore, driving his '57 Ford convertible (shiny black), or at home hitting the books, for Jim excels in practically everything he "tackles."

As a member of the track team last Spring, Jim, or "Tubbins," as he is called by his teammates, hurled the javelin 182' 7" to break a long-standing school record. He's good in other sports too--good enough to have made both the basketball and baseball teams.

Jim is not only a fine athlete, but also an outstanding student. He ranks within the top ten per cent of his senior class and is a member of National Honor Society. He is also a member of the Student Council, and the Varsity Club, and he was vice-president of the junior class.

With all these activities, it is no surprise that Jim looks forward to his summer vacations at the shore. However, he is still planning ahead to college, which he hopes will be either Yale or Princeton. With all his abilities, he will undoubtedly be a success in college too.

Photo by Nick Warburton

Jim Kovacs (27) and Greg Weiss (59)

the Thanks-giving game Greg commented, "Although we've had a tremendous season so far, this game will be by far the toughest and most important. Plainfield has a good scrappy team, but with an all-out effort, I'm sure we can beat them in what should be a very close game."

Football is not Greg's only sports talent. He is also the holder of the state 100 yard breaststroke record for swimming the distance in 1:08.3 at the State Meet last winter.

"Our swimming team this year will really have to work to equal last year's State Championship, but with expected improvement from our experienced seniors and juniors and a large group of strong sophs, I'm sure we will have another tremendous team," stated Greg.

"All brawn and no brain" certainly can not be said of this boy who is a member of the National Honor Society and has received a certificate of merit from the National Merit Scholarship Corporation. Greg, or "Weasel," as his friends call him, also is a member of the Varsity Club and enjoys painting.

Plainfield-Westfield (Continued from Page 1)

Krystopik to gain over 300 yards. The Blue Devils will continue to operate out of a double winged T offense with the line unbalanced to the right. Left tackle Earl Vigne is posted between the right guard and the right tackle.

Right tackle Dave Morash (186) is the heaviest man in the Blue Devil forward wall. Co-captain Greg Weiss and Bob Adelaar have done an outstanding job at the guard positions. Westfield has two fast and rugged ends in Dwight Winn and Marty Howarth.

Quarterback Bud Mueller has done a fine job as a ballhandler and has become a good passer. Halfbacks Bill Bryant and Eddie Galauski have both speed and power. 201-pound fullback Jim Kovacs, a co-captain, has exceptional power and deceiving speed.

Sue Eddy, Majorette, Is Sports Editor, Lifeguard

Photo by Nick Warburton

Sue Eddy, ready for the Plainfield game.

Sue Eddy '62, our fancy stepping drum majorette, is also a bicycle enthusiast and a lifeguard.

In addition to composing and performing her own twirling routines at the football games, Sue leads the band through its formations. During the summer she taught twirling twice a week at the Westfield play grounds.

"I was a lifeguard at the Highland Swim Club last summer, but I didn't get a chance to rescue anyone," Sue commented. She did, however, give diving lessons and helped coach the Highland swim team to a victorious season of 6-1.

Sue's motto is, "Anything to keep in shape," and she is interested in all kinds of activities including bicycling. She is the girls' sports editor of the yearbook.

The senior girl is president of the Spanish Club and an active member of Daisy Buds, Sub-Juniors, and Y-Teens. Sue served as hostess at the Y-Teen Summer Conference held at Sara Lyons College last summer. "Sara Lyons is a college for brains. I felt like a real intellectual!" Sue is also a C.O. and a member of the Choir.

Sue has applied to Ohio University, but nothing is definite yet. "I do, however, want to attend a big co-ed college with football games and everything. I don't want to miss anything!" she stated.

Sue is planning to major in elementary education and Spanish at college next fall.

It Can't Happen Here?

Thanksgiving In A Shelter

Tomorrow will be Thanksgiving, and turkey and dressing will be served throughout the land. But will this be true next year? Or the next? What if the country is attacked? What if we must spend Thanksgiving in a bomb shelter?

Picture Thanksgiving within cold, grey concrete walls. Turkey in a can, or perhaps no turkey at all. Your family might still be with you--if you were lucky.

You would be seated around a folding table at best. If yours was a home-made shelter, there might be no table, only boxes to sit on. The walls would be lined with cans of food and bottles of water between the bunks or cots. No telephone would be ringing.

You would have no T.V., and if you had a radio, it would play no rock and roll, only air raid alerts. There would be the constant danger, with each bomb, of failure in the generator or air filter.

Can you picture this? Quite different from the traditional Thanksgiving scene, isn't it? Yet you might find this the most meaningful Thanksgiving of your life. You would be thankful to have food and a family, thankful for life itself. You would give thanks for each day, and hope to survive another. Thanksgiving would take on a true significance.

But we needn't be in a bomb shelter to find something to be thankful for. Tomorrow we may be thankful for peace.
